THE DOWAGER COUNTESS ELEANOR PEEL TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their report and the audited financial statements of the Trust for the year ended 31 March 2023. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS102) in preparing the annual report and financial statements of the Trust.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the Trust's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 1 October 2019.

Structure, governance and management

Legal Structure

The Dowager Countess Eleanor Peel Trust was established under a trust deed dated 3 May 1951. This was in pursuance of the Will of Dowager Countess Eleanor Peel who died on 9 November 1949. The Trust Deed provides that the income of the Trust Fund (and in certain cases the capital thereof) should be paid or applied for such charitable purposes as the Trustees should think fit. They are enjoined to have particular regard for medical charities, charities for old people and those who have fallen on hard times through no fault of their own and the charitable bodies specified in the Schedule to the Trust Deed. They are prohibited from giving money to charitable bodies substantially under the control of central or local government or charitable bodies primarily devoted to children.

The Registered Charity Number is 214684.

Trustees

The Trustees acting throughout the year were:

Professor M A Pearson – Chair
R M Parkinson
D J Parkinson
Professor C P Sibley
Professor R T Ramsden MBE
J P Manduell (Resigned 28 September 2022)
Professor C H Toh CBE (from 20 April 2023)

Appointment of Trustees

Trustees are appointed by the agreement of existing trustees. Prior to appointment, prospective trustees are invited to a meeting to observe. On appointment, new trustees are provided with a copy of the Trust Deed, a brief history of the Trust and the most recent annual report and accounts. Copies of previous Trustees' meeting minutes are available to the new trustee.

Trustees are permitted by the Trust Deed to receive remuneration of up to 10% of income. Trustees remuneration is reviewed annually. Discretionary bonuses may be awarded from time to time provided that the 10% threshold is not exceeded.

In anticipation of the retirement of Professor Richard Ramsden in autumn 2023, the Trustees sought application for a new Trustee with medical expertise by contacting all universities in the North West of England with medical schools. Four applications were received, and after interview the Trustees were delighted to appoint Professor Toh.

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2023

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources of the Trust for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Objectives and activities

General background

The Trustees have met on four occasions in the year at which they consider inter alia grant making, income and capital investment performance, capital and income account balances, income review, budget, cash flow, reserves, risk management and other policies. All applications for grants are first vetted by the Secretary for eligibility and those deemed eligible are then assessed by two Trustees. Any applications rejected following Trustee review are listed in the agenda for the next Trustees' meeting with the reason for rejection. Applications for consideration at the Trustees' meeting are presented with a report and summary of the financial statements for the last complete year.

Grant making strategy

Introduction

In accordance with the Trust Deed, the Trustees can apply the income and capital for such charitable purposes as they shall from time to time think fit. However, without prejudice the Trustees are primarily directed to make grants to:

- i. Charitable bodies administering:
 - (a) Medical charities including medical research
 - (b) Charities in connection with old people
 - (c) Charities assisting people who have fallen upon hard times, through no fault of their own and
- ii. Various charitable bodies specified in the Trust Deed

The Trust Deed prohibits Trustees from making grants to charitable bodies primarily devoted to children or which are under the control of central or any local government.

An updated Grant Making Policy was adopted on 28 September 2022 and is available at www.peeltrust.com

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2023

Categorisation

In each category, Trustees will consider the following areas:

- i. Medical and health charities – research and care specifically aimed at benefitting older people, to include Alzheimer's, Macular Disease, Prostate Cancer, Parkinson's Disease
- ii. Charities in connection with old people – Old Age, Homes, Carers
- iii. Charities for people fallen upon hard times – Disabled, Hospital, Hospices, Ex services, Natural or Man-made disasters, Mental Health, Homelessness and miscellaneous
- iv. Charities specified in the Trust Deed
- v. Other Charitable purposes including International charities (Not more than 7 ½%)

Principles

The Trustees applied the following grant making criteria during the last accounting period:

1. The Trustees only support applications (other than Travelling Fellowships) from the "Preferred Locations" of Lancashire (especially Lancaster and District including all LA postcodes), Cumbria, Greater Manchester, Cheshire and Merseyside or from charities who work therein or are well known to a trustee.
2. The Trustees focus on small to medium sized charities where grants will make a difference. Applications from large well-funded charities (with income in excess of £2.5m per annum) will normally be rejected, unless the application is for a capital project or research.
3. The Trustees' support capital or project related applications and running costs applications in respect of smaller charities.
4. The Trustees do make grants to emergency appeals which are considered on a case by case basis.

Awareness

The Trustees feel it is important to know the charities to which grants are or may be awarded. They will therefore from time to time arrange to visit a charity and/or arrange for a charity to make a report or presentation to all the Trustees.

Applications for Medical Research Grants

Applications for Medical Research Grants will be categorised as appropriate for a "Minor Grant" (£25,000 or less) or a "Major Grant" (greater than £25,000 per annum for a defined research project for 1-3 years). The last major grant was awarded as the Professor Sir Robert Boyd Fellowship in 2021.

Post-graduate Travelling Fellowships

The Trustees make a small number of grants to allow members of the medical or other health professions to gain further knowledge or research experience at a centre of excellence, usually by working overseas.

Grant Making Strategy

The unabridged Grant Making Strategy (adopted on 28 September 2022) can be viewed at www.peeltrust.com

Achievements and performance

The Trustees' primary Key Performance Indicator is income generation and they are satisfied with the actual income recorded of £622,835. The reduction year on year is a timing difference, the actual cash income received in the period was consistent with the prior year.

The value of the capital fund reduced by £787,968 to £20,232,977 during the year.

43 grants to a value of £335,197 were awarded during the year. £29,604 grants previously awarded were returned. Further details can be found in note 8 of the accounts.

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2023

Financial review

Total incoming resources reduced by £128,426 during the year due to revenue recognition timing differences. The cash distributions received from the underlying investment portfolio were consistent with the prior year. Grants to Charities specified in the Schedule to the Trust Deed amounted to £nil and those not specified in the Schedule amounted to £305,593. Grant related support costs increased marginally. For the year ended 31 March 2023, total net income after distribution of grants but before losses on investments was £239,296 as shown in the Statement of Financial Activities on page 10. The net income after distribution of grants was higher than anticipated as the Trustee meeting originally scheduled for March 2023 was postponed until April 2023. £149,635 was awarded to charities at the April Trustees meeting relating to the 2022/23 financial year. The timing difference will result in a deficit in the 2023/24 financial year. The net assets of the Trust at 31 March 2023 were £20,718,417.

A major medical grant, the Professor Sir Robert Boyd Fellowship, of £299,226 was awarded from the designated income funds in the 2022 financial year, following a competitive process involving universities in the Trustees' preferred locations in North West England. This award for a 3 year period was made to Dr Collingridge Moore at Lancaster University.

The Trustees make a significant annual grant to the Peel Studentship Trust at Lancaster University, as detailed in the appendix to the financial statements. The Peel Studentship Trust is legally distinct from the Dowager Countess Eleanor Peel Trust, has a separately established Board of Trustees and is administered by Lancaster University.

The Trust is the sole donor to the Peel Studentship Trust. Regular reports are received from the Peel Studentship Trust and from time-to-time presentations are given to the Trustees by students who received grants.

Reserves

Under the terms of the Deed the Trustees are able to expend both income and capital. However, the current policy is to utilise the investment portfolio for income generation only, retaining the capital.

Given the ability to expend both income and capital there is no strict requirement to hold reserves as such. However, the Trustees have in place an Income Reserve Account (see note 13 of the accounts).

Designated income funds include the Income Reserve Account and the Travelling Fellowship Account. The Income Reserve account will continue to be used for major commitments such as previous investment in the Salford Institute of Dementia and going forward to support the Professor Sir Robert Boyd Fellowship which was awarded in November 2021.

The Trustees intend to continue to transfer funds into the Income Reserve account when available. £90,000 was transferred in the year ended 31st March 2023.

The current balance on the Income Reserve Account as at 31st March 2023 was £147,231.

The balance held in the Travelling Fellowship account at 31 March 2023 was £Nil. On an annual basis, transfers of £90,000 are made to the account from the unrestricted fund sufficient to meet travelling fellowship grants awarded.

Investment policy

The Trustees have wide powers of Investment in accordance with the provisions of the Trustee Act 2000.

Having completed their review of Investment Managers, the Trustees appointed CCLA Investment Management Ltd in July 2020 to manage the investment portfolio. The entire portfolio is now invested in the COIF Charities Investment Fund. The fund will provide certainty of income going forward and aims to provide both capital and income growth in real terms over the medium/long term.

The Investment Policy was reviewed and approved by the Trustees in March 2022. The COIF Charities Fund investment is aligned with the Investment Policy.

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2023

Risk management

The Trustees continually review the major risks to which the Trust is exposed and have established systems and procedures to manage those risks. The Trustees consider volatility of income generation to constitute the Trust's major risk. This is mitigated by the dividend policy of the COIF Charities Investment Fund. The level of income generated from the investment continues to be closely monitored by the Trustees.

Grant making policy, aims and objectives and public benefit

The Trustees confirm that they have referred to the guidance contained in the Charity Commission General Guidance on Public Benefit when reviewing the Trust's aims and objectives, planning future activities and agreeing grant making policies. In particular, the Trustees scrutinise all applications very carefully including, where appropriate, reviewing the latest available annual Report and Accounts, to ensure that grants awarded are for public benefit. Indeed, in most instances, the Trust makes grants to other registered or exempted UK Charities (including educational and other relevant institutions) as the Trustees consider such organisations, established as they are for public benefit, are best placed to be parties in support of its charitable objectives.

The Trustees have agreed to adopt the Charity Commission Governance for smaller charities.

Plans for future periods

1. The Trustees have established The Professor Sir Robert Boyd Fellowship, which was awarded in November 2021. The benefits and operation of the Fellowship will be monitored and assessed by the Trustees over the three year period of the grant before deciding whether to repeat the award in future.
2. To expedite decision making on grant applications from small charities, the Trustees continue to meet four times per year. 'General' applications from charities are considered four times per year, whilst Minor Medical Grants are considered twice per year, usually in July and January.
3. The Trustees are committed to social diversity, equality and inclusion. The Trustees continue to develop systems to identify whether, notwithstanding the directions in the Trust deed in respect of making grants to charities concerned with old people, any person or organisation with a protected characteristic is being apparently unfairly disadvantaged in accessing funding, and will monitor the outcome of their decisions at each meeting.
4. The Trustees recognise that there are some impending retirements and succession planning remains a key area of focus.

This report was approved by the Board of Trustees on 18/10/2023 and signed on its behalf by:

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2023

Opinion

We have audited the financial statements of The Dowager Countess Eleanor Peel Trust for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2023, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2023

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Respective responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

- Enquiries with management, about any known or suspected instances of non-compliance with laws and regulations and fraud;
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness;
- Reviewing correspondence with the Charities Commission; and
- Reviewing board minutes.

Because of the field in which the client operates we identified that compliance with charity law is the area most likely to have a material impact on the financial statements.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2023

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

A summary of the principal accounting policies, all of which have been applied consistently throughout the year and the preceding year, is set out below.

Basis of preparation

The charity constitutes a public benefit entity as defined by FRS 102. The accounts (financial statements) have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, and UK Generally Accepted Practice.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Funds structure

The funds held by the Trust are unrestricted funds, which can be used in accordance with the charitable objects at the discretion of the Trustees.

Income recognition

Interest on funds held in deposit is included when receivable and the amount can be measured reliably by the Trust; this is normally upon notification of the interest paid or payable by the bank. Income on investments is included when receivable and the amount can be measured reliably by the Trust. This is normally when income is received on a quarterly basis from the investment manager.

Income received from the capital investment portfolio is recognised within the income account with the exception of special dividends which are recognised within the capital account.

The rebate on investment management fees charged to the overall fund are recognised within income when received.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Trust to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses, including support costs and governance costs, are allocated or apportioned to the applicable expenditure headings in the statement of financial activities. For more information on this allocation refer to note 6.

Grants paid or payable in the year are treated as charges to the Statement of Financial Activities. Grants authorised but not yet due are charged to the Statement of Financial Activities in the year in which the commitment arises.

Allocation of support and governance costs

Support costs have been differentiated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the Trust and its compliance with regulation and good practice.

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies (continued)

Charitable activities

The expenditure on charitable activities includes grants made, governance costs and support costs.

Fixed asset investments

Investments are initially recognised at their transaction value and subsequently measured at the published bid price as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire or use put options, derivatives or other complex financial instruments.

Realised gains and losses

All gains and losses are taken to the statement of financial activities as they arise. Realised and unrealised investment gains and losses are combined in the statement of financial activities.

Judgements and key sources of estimation uncertainty

There have been no judgements (apart from those involving estimates) made in the process of applying the above accounting policies.

There have been no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

2 Legal status of the Trust

The Dowager Countess Eleanor Peel Trust was established under a trust deed dated 3 May 1951. This was in pursuance of the Will of Eleanor Dowager Countess Peel who died on 9 November 1949. The Trust Deed provides that the income of the Trust Fund (and in certain cases the capital thereof) should be paid or applied for such charitable purposes as the Trustees should think fit. They are enjoined to have particular regard for medical charities, charities for old people and those who have fallen on hard times through no fault of their own and the charitable bodies specified in the Schedule to the Trust Deed. They are prohibited from giving money to charitable bodies substantially under the control of central or local government or charitable bodies primarily devoted to children.

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

NOTES TO THE ACCOUNTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

3 Investment income

	2023 £	2022 £
Investment income		
Income from investment fund units	619,962	751,213
Bank interest	2,873	48
	<u>622,835</u>	<u>751,261</u>

Of the investment income received in the year, £2,129 was attributable to designated income funds (2022: £25), £nil was attributable to the designated capital fund (2022: £nil) and £620,706 was attributable to unrestricted funds (2021: £751,236).

4 Expenditure on charitable activities

	2023 £	2022 £
Grants expenditure (note 8):		
Grants payable to charities not specified in the schedule to the Trust Deed	215,593	580,927
Grants payable to charities specified in the schedule to the Trust Deed	-	-
Travelling fellowship awards	90,000	84,344
	<u>305,593</u>	<u>665,271</u>
Grant related support costs:		
Governance and support costs (Note 7)	77,946	76,183
	<u>383,539</u>	<u>741,454</u>

Of the expenditure on charitable activities incurred in the year, £100,002 was attributable to designated income funds (2022: £353,610) and £283,537 was attributable to unrestricted funds (2022: £387,844).

THE DOWAGER COUNTESS ELEANOR PEEL TRUST

NOTES TO THE ACCOUNTS (CONTINUED)

	21,267,089	622,835	(383,539)	-	(787,968)	20,718,417

Income account

The Income account is an unrestricted fund used for the day-to-day purpose of supporting the operations of the Trust. Transfers are made from the Income account to the other designated funds to support specific grant making activities.

Income reserve account

The Income reserve is held to cover major future grants and £90,000 was transferred from the Unrestricted Reserve during the financial year.

Travelling Fellowship account

The Travelling Fellowship account is held for the purpose of awarding Travelling Fellowship grants. On an annual basis, transfers are made to the account from the unrestricted fund sufficient to meet the value of grants awarded.

Capital account

The capital account is held for the purpose of income generation. Trustees have the power to distribute funds from the account, but this is not part of the current policy of the Trust.
